PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center (PIC) (DIA). The photographic analysis for this particular report was performed by the Production Center (PIC).

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: A) railroad service, B) road service, C) landing strips, D) administrative and troop housing areas, E) storage areas, F) ammunition storage areas, G) POW storage areas, H) other buildings and facilities, I) equipment storage/maintenance areas, J) athletic fields, L) small arms firing ranges, M) driver training areas, N) tank assault gun firing ranges, P) flat trajectory firing ranges, Q) artillery emplacements (batteries), R) infantry or combined arms field training areas or courses, S) special training facilities, T) unidentified facilities or tracking activity.

SUMMARY

A small driver-training course is located on the southeast edge of Buchach (Figure 1) on a plateau in a prominent bend in the Strypa River. It consists of several road loops and

a small motor pool area (Figures 2 and 3). The installation appears quite active. The installation was covered by [REDACTED] KEYHOLE mission in [REDACTED]

25X1D

DESCRIPTION OF INSTALLATION

Road Service

The installation is situated on an all-weather loose-surface road with access to the city of Buchach.

Administrative and Troop Housing Area

Area D contains one single-story 50-by-25-foot administration building.

Equipment Storage/Maintenance Area

Area J contains one 350-by-100-foot motor

park and one 260-by-35-foot vehicle storage and maintenance building.

Athletic Field

An apparent 475-by-225-foot soccer field with a scarred area around the goals is located in Area K.

Driver-Training Area

Area M is a driver-training course with a prominent figure-8 road loop.
